The 2017 Edition of the Street Side Guide to Urban Transit Fleets in Canada

The Street Side Guide (2017) is the tenth edition of this popular guide to Canadian transit fleets published since 1993, published by the Canadian Transit Heritage Foundation.

The Guide includes detailed fleet listings for the vast majority of Canada's urban transit systems from coast to coast. Data includes quantity, vehicle manufacturer, model, date built, date acquired, and system fleet numbers. Also recorded is average fleet age and summary information including high/low floor data, fuel type and age summaries.

The current edition of the Guide includes a 30-page colour photo section, information on manufacturers and lists of preserved Canadian transit vehicles in Canada and the U.S.

Information is included on bus, light rail, heavy rail, commuter rail, trolley coach, and historical fleets.
