**Tires and Wires**

*The story of electric trolley coaches serving sixteen Canadian cities*

Congratulations on making your reservation for *Tires and Wires*. By being early, you can now enjoy an exclusive pre-publication price, **saving you \$10.00 off the book’s \$59.95 list price, and all applicable taxes.** By sending in your paid order promptly, you’ll put this discount in your pocket.

Tom Schwarzkopf’s book tells all about these efficient trolley coach lines that ran in Halifax, Montreal, Ottawa, Cornwall, Toronto, Hamilton, Kitchener, Windsor, Port Arthur-Fort William, Winnipeg, Regina, Saskatoon, Calgary, Edmonton, and are still operating in Vancouver. Several other cities contemplated or trialed them, and all are featured in this omnibus volume.

There are **more than 200 superb photos** of trolley coaches, most in operation – **with 54 in full colour** -- and all with informative captions. Spectacular cover illustrations are in full colour. Its **270 pages** include a bibliography and an index.

The book contains **22 maps** and an extensive series of appendices, including complete system equipment rosters, with vehicle specifications and illustrations, along with a listing of preserved equipment. There’s a chapter for each city’s system, plus a history of the trolley coach in Canada, and of all nine coach manufacturers.

The 8”x10” book is co-published by Canadian Transit Heritage Foundation and Railfare\*DC Books, with very high quality standards for producing informative, interesting historical Canadian railway and transit systems publications.

Don’t miss your opportunity to own this historic book.  
**Your payment MUST be received no later than January 31st 2019.**

This new volume will be a valuable entry in the library of every transit and Canadiana enthusiast. With its very limited print run, *Tires and Wires* is sure to become a rare collector’s item.  
Thank you for your interest and support.
