

The "2026 Street Side Guide" is now available !

The *2026 Street Side Guide to Urban Transit Fleets in Canada* is the fourteenth edition of this popular guide to Canadian transit fleets.

There are 184 pages of detailed vehicle fleet listings for the majority of Canada's urban bus and rail transit systems. Data includes quantity, vehicle manufacturer, model, built date, date acquired, seating capacity, fleet numbers along with average fleet age and a summary by vehicle type for each transit system.

The *Guide* includes:

- a 30-page colour photo section.
- a summary of the transit vehicle scene as of January 1, 2026.
- buses operating by province and year of manufacture.
- current bus fleet trends.
- detailed information on the vehicle manufacturers.
- lists of preserved Canadian transit vehicles in Canada and United States.
